Reply To Notice of Non-Compliant Amendment

Commissioner of Patent
and Trademarks
Washington, D.C. 20231

Sir:

In reply to the Notice of Non-Compliant Amendment mailed, applicant submits an amendment to the specification including the following clean and marked-up versions of the below-identified paragraphs of the specification:

In the specification:

Please replace the first full paragraph of page 12 (lines 3-9) with the following clean version:

Each of these UWB transmitters can operate at extremely high data rates, enabling the transmission of high speed data such as real-time digitized video, multiple simultaneous digital voice channels, or other information, as well as enabling a range measuring device to transmit high PRF pulse trains for radar or ranging applications.
